An Email Template from **Yes Yes Marsha**

Subject line: [Something factual / Something mysterious. For explanation, **SEE HERE**]

Hi [Name],

[Reference something recent they've said or done in a positive light. Say what in particular you liked about it – or ideally, what good thing it did for you (could be how it made you feel)]

ALTERNATIVE: if you've met them before:

It was lovely to meet you at [event] with [mutual person]. [Reference to conversation. If none, reference to the event – eg **“Wasn't it an amazing party? Loved the magicians!”**].

[optional: short **ADD VALUE**, ideally having researched them some more]

Would you have 20 minutes free sometime in the next few weeks, when I could buy you a coffee and ask you about [specific topic(s) or question(s)]?*

I appreciate that you're a busy person, so I'll gladly meet when and where is most convenient for you. How's [date and time range] or [other date and time range]?

If you have two minutes to hit reply and let me know, that would be fantastic.

[\[Find out why this is important, HERE\]](#)

All the best,

[Your name]

[Your email address]

[Your phone number]

[Your website if you have one]

****for Skype, I'd suggest:**

Would you have 10/15 minutes free sometime in the next few weeks when I could call or skype and ask you about [\[specific topic\(s\) or question\(s\)\]](#)?

I appreciate that you're a busy person, so we can do it when it's most convenient for you.

I'm Marsha, founder of Yes Yes Marsha and Networking Mentor.

I work with coaches, freelancers and entrepreneurs who are brilliant at what they do (basically: you) – BUT – who are having trouble getting discovered by the people they **most** want to help through their work.

I can show you how to get noticed by, and build genuine relationships with key players in your industry. This will steer you into a whole new universe of possibilities – including collaboration, endorsements, maybe even these new friends sharing your offerings on their social media platforms and to their mailing lists.

With this boost, you can get your message out to the people that need to hear about it. And the more of them that hear it, the more clients you get!

I would love to show you how to take the ick out of networking – and start to find it actually FUN. For more on how you can do that, have a look at YesYesMarsha.com/workwithme.
